

Hi, my name is Paul and i'm nine years old.  
Christmas is without a doubt my favorite time of the year  
because i love ice skating and decorating the Christmas tree.  
In my living room there is a big Christmas tree,  
full of yellow lights and red balls.  
Under the tree there are some presents for me and  
my sister Lauren.

True or false?

Paul is seven year old  
He loves Christmas  
There is a Christmas tree in the garden  
The tree is small  
Paul likes ice skating  
He has got a brother
