

Hi, my name is Paul and i'm nine years old.  
I live in Edinburgh, the biggest town of Scotland.  
Christmas is without a doubt my favorite time of the year  
because i love ice skating and decorating the Christmas tree  
with my family. In my living room there is a big Christmas  
tree, decorated with shiny ornaments and blinking lights.  
Under the tree there are presents for our friends and close  
family members.  
I have a sister, Lauren: she is six yeard old and she likes  
Christmas too!

True or false?
